CAUSE NO. 38702 FAC 53

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On July 15, 2004, Petitioner filed the above-captioned Cause with the Commission. A public hearing was held on August 24, 2004. Because of a requirement in an Order dated May 23, 1984 in Cause No. 37483 that Petitioner must file its tariffs prior to its consumption period, an Order would be needed in this Cause by August 27, 2004. This requirement causes the Commission less than adequate time to duly consider any issues raised and issue an order. It also causes Petitioner to be treated in this regard differently than other electric generating utilities.

Therefore, the Presiding Officers, being duly advised in the premises, hereby waive this requirement in this Cause so that Petitioner would not need to file its tariffs prior to its consumption period beginning August 28, 2004.

IT IS SO ORDERED.
